La Pizza Napoletana

by Samuele Ferro

At the heart of every pizza is Samuele's passion: the dough. Combining elements of traditional Napoletana and contemporanea pizza-making, he continually experiments with flour, fermentation and hydration to create his perfect dough.

Curious? Ask Samuele what flour and hydration he's using today.

HOW TO READ THE MENU

2. **Level up**: the same pizza with a twist.
3. **Go all in**: loaded with more on top.
